**A SWEET CHOICE FOR MUSIC'S BIGGEST NIGHT**

**Newport Beach, California-based award-winning chocolatier Christopher Michael Chocolates has been chosen as the exclusive chocolate provider in the official Gift Baskets and talent dressing rooms for the 51st Annual GRAMMY® Awards.**

**Each Presenter and Performer will receive an assortment of handmade chocolates that are not only pleasing to the palate, but to the eye as well. Made using only the finest Venezuelan single origin fair-trade chocolate along with fresh ingredients grown locally, Christopher Michael Chocolates artistically combines spices and savory flavors such as bacon, chili peppers, rosemary, cardamom, chipotle and lemongrass, and infuses them into ganaches and caramels to create fresh and mouth-watering taste sensations. To cap off the flavor explosion of each chocolate, Christopher Michael airbrushes exquisite designs atop each confection to complete these delicious works of art.**

**“We are excited to be a part of such an iconic event,” says Christopher Michael, Chef, owner and namesake of Christopher Michael Chocolates. “Our chocolates are as unique and wonderful as each of the GRAMMY artists, and we know that we have a flavor that will suit each one of them to a T.”**

**Besides his offerings of a wide assortment of hand-made chocolates, Christopher Michael also makes an assortment of chocolate bars, chocolate covered nuts/corn flakes/marshmallows and his own blend of hot chocolate mixes.**
